# **NOTICE OF** PROPOSED MAJOR UTILITY FACILITY

American Transmission Systems, Incorporated (ATSI), a FirstEnergy company, is proposing to construct two transmission line extensions from the East Springfield-Landon #2 138-kilovalt (kV) Transmission Line to a new substation, in a Letter of Notification Application submitted to the Ohio Power Siting Board (Board) for a Certificate of Environmental Compatibility and Public Need.

The project is located on new transmission line right-of-way in Springfield Township and the City of Springfield, Clark County Ohio. ATSI proposes to extend two segments of the East Springfield-London #2 138 kV Transmission Line to the new North Titus Substation, creating two new lines. The new lines will include the approximately 1.0-mile-long East Springfield-North Titus 138 kV Transmission Line and the approximately 0.6-mile-long London-North Titus 138 kV Transmission Line. The Project is needed to provide electric service to Silfex Inc.'s new manufacturing facility located in the City of Springfield.

The following public officials and agencies have been served with copies of the application as required by the Ohio Power Siting Board's regulations:

Commissioner Melanie F. Wilt, Clark County Commissioners

Commissioner Lowell McGlothin, Clark County Commissioners Commissioner Richard Lohnes, Clark County Commissioners

Ms. Jennifer Hutchinson, Clark County Administrator
Ms. Jo Anderson, Chairperson, Clark County Planning Commission

Ms. Elaine Stevenson, Vice-Chair, Clark County Planning Commission

Mr. Johnathan A. Burr, P.E., P.S., Clark County Engineer

Mr. Chris Simpson, District Adm., Clark County SWCD
Mr. Jim Bodenmiller, City Manager, City of Springfield
Mr. Bryan Heck, Deputy City Manager, City of Springfield
Mr. Warren R. Copeland, Mayor, City of Springfield

Ms. Joyce Chilton, Asst. Mayor, City of Springfield Ms. Jill Pierce, Clerk, City of Springfield

Mr. Tom Franzen, Director of Economic Development, City of Springfield

Mr. Leo Shanayda, City Engineer, City of Springfield

Mr. Stephen Thompson, Planning Administrator, City of Springfield Mr. Tim Foley, Trustee, Springfield Township

Mr. Jim Scoby, Trustee, Springfield Township Mr. John Roeder, Trustee, Springfield Township Mr. Mike Hively, Fiscal Officer, Springfield Township

A copy of the application is available for public inspection at the offices of the Ohio Power Siting Board, c/o Public Utilities Commission of Ohio, Utilities Department, 12th Floor, Borden Building, 180 East Broad Street, Columbus, Ohio 43215-3793, www.opsb.ohio.gov. RUSSIA INVESTIGATION

## GOP reps downplay Trump's take on memo

Democrats push for release of rebuttal to memo's claims.

By Elise Viebeck Washington Post

WASHINGTON – A fierce par-tisan battle over the Justice Department and its role in the Russia investigation moves into its second week Monday as Democrats try to persuade the House Intelligence Committee to release a 10-page rebuttal to a controversial Republican memo alleging surveillance abuse.

surveillance abuse.
The panel's top Democrat,
Rep. Adam B. Schiff of Galifornia, is expected to offer
a motion to release his party's response to the Republican document during a committee meeting scheduled for
Monday at 5 p.m. It was not
immediately clear whether
Republicans would ioin Dem-Republicans would join Dem-ocrats in voting for the doc

ocrass in voting for the doc-iment's release, as some members of the GOP have expressed concerns about its contents. Speaking Sunday on ABC-TV, Schiff called the GOP memo a "political hit job on the FBI in service of

the president."

"The goal here really isn't to find out the answers from the FBI. The goal here is to undermine the FBI, discredit undermine the FB, discredit the (special counsel) investigation, do the president's bidding," Schiff told "This Week."

Democrats spent the weekend pushing back against the claim by President Donald

Attorney General Jeff Sessions, Deputy Attorney General Rod Rosenstein and Associate Attorney General Rachel Brand, at the Department of Justice, Friday, A memo released Friday alleges the DOJ abused its powers by obtaining a surveillance warrant using information that was biased against President Donald Trump. on morning talk shows. Gowdy, who helped draft the memo, said Trump should not fire Rosenstein and rejected the idea that

and rejected the idea that the document has bearing on the investigation. "I actually don't think it has any impact on the Russia probe," Gowdy, who also chairs the House Oversight Committee, said on CBS "Face the Nation." Stewart, arguing that the two are "very separate" issues, said Mueller should be allowed to finish his work.

be allowed to finish his work. "This memo, frankly, has nothing at all to do with the special counsel," he told "Fox

special counsel," he told "Fox News Sunday." The four Republicans walked a careful line on the GOP document, which alleges that the Justice Department abused its powers by obtain-ing a warrant for surveillance of former Trump campaign adviser Carter Page using information from a source information from a source who was biased against Trump. Their comments echoed those of Speaker Paul Ryan, R-Wis., who supported the memo's release but insists its findings do not impugn

House Intelligence Commit-tee Chairman Devin Nunes, R-Calif., whose actions have been at the center of the debate over the memo, did not participate in interviews

not participate in interviews Sunday. It remained unclear Sun-day whether Trump would use the document as a pretext to fire senior Justice Depart-ment officials, a decision that could trigger a constitutional crisis, according to Demo-crats. Trump had advocated the memor's release telling the memo's release, telling advisers it could help him, in

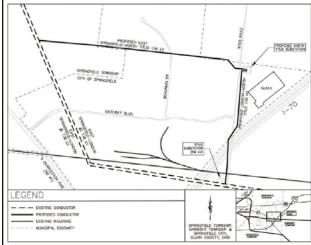

advisers it could nelp nim, in part by undercutting Muel-ler's investigation and open-ing the door to firings. Trump tweeted Sunday that while "the Russian Witch Hunt goes on and on," the Republican memo "totally vindicates" him.

"Their (sic) was no Col-lusion and there was no Obstruction (the word now used because, after one year of looking endlessly and find-ing NOTHING, collusion is dead). This is an American disgrace!" he wrote from Florida, where he spent the weekend.
