## MEMORANDUM IN SUPPORT

---

Under the requirements of the February 29, 2018 entry, the auditor is presently required to submit a draft audit report to the Commission Staff by April 6, 2018 and to file a final audit report by May 14, 2018. The auditor has informed Staff that they will require additional time to complete the reports. The additional time is required because of availability limitations within the auditor's organization and not due to any lack of co-operation on the part of the utilities. Accordingly, the Staff requests that the auditor be granted an extension of time until April 30, 2018 to submit a draft report and to May 14, 2018 to file the final report. I can represent that no party has an objection to this request.

Respectfully submitted,

**Michael DeWine**  
Attorney General
