

## **Case 18-0065**

### **Jeff & Lisa Crabtree**

Please modify the NPC for this facility from **12.9** to **12.925**. The OH application was approved, but when entering the information into GATS, we are receiving a system size error. GATS is rounding the system size from 12.925 to 12.93 – there are 47 panels at 275 watts.

Thank you.
