CASE_NUMBER: 16-1871-EL-BGN Icebreaker Windpower

COMMENTS: Please do not allow wind turbines to be installed in Lake Erie or on its shores. We have very few natural resources with the beauty and awe of Lake Erie. As one of the largest freshwater lakes in the world it would be a huge detriment to us to have the lake dotted with windmills. They would also pose another navigational safety hazard that we simply do not need on the lake.

Please do not allow windmills to be installed on the lake!!!
