B. Describe the Company's supply portfolio projection, including both generation fleet and power purchases, for the 10 year planning horizon.

Provision does not own any generation assets that can be utilized for Ohio compliance. Provision intends to purchase both Solar and Non-Solar RECs from generators who have been certified as renewable from PUCO, have joined an approved REC registry, and will transfer the RECs from the generator's account to the Provision account.

C. Describe the methodology used by the Company to evaluate its compliance options.

Provision has used internal forecasting methods to forecast our retail sales load over the next ten years, and has multiplied the annual sales by the current Ohio Alternative Energy Portfolio Standard requirements.

D. Describe any perceived impediments to achieving compliance with the required benchmarks, as well as suggestions for addressing any such impediments.

Provision does not have any comments at this time.

III. RPS Administration

Please describe any suggestions (non-legislative) the Company may have to make the administration of the Ohio RPS more effective and efficient. Additional communications, enhancements to the [RPS webpage](#), etc.

Provision does not have any comments at this time.
