**Re: Dominion Energy Ohio Chippewa Station Installation and
Replacement Project, Case No. 18-113-GA-BLN**

Dear Ms. McNeal:

In its Letter of Notification Application, Dominion Energy Ohio (“DEO”) referenced on page 9 that a Road Use Maintenance Agreement (“RUMA”) was to be obtained from the Wayne County Engineer’s office. By this letter, DEO notifies the Ohio Power Siting Board (“Board”) that it was able to extend the existing agreement that is in place for the Chippewa Station construction, and thus a new RUMA agreement is not necessary.

Also, on March, 15, 2018, pursuant to Ohio Administrative Code Rule 4906-6-11(B), DEO notified the Board that Phase I construction on the Chippewa Station was anticipated to commence in April 2018. DEO notifies the Board that construction is scheduled to start on April 23, 2018

Please do not hesitate to contact me if you have any questions.

Sincerely,

Sally W. Bloomfield
