#### **4. Codes, Violation Groups, and Forfeiture Amounts**

"Code" in this notice identifies the rule that was violated. Numbers in a 100 or 300 series refer to specific sections of the Hazardous Materials Regulations or the Federal Motor Carrier Safety Regulations located in Title 49 of the Code of Federal Regulations (C.F.R.). Some section numbers may have suffixes beyond those which appear in the C.F.R. These are used for internal data collection purposes. Codes in other formats refer to violations of Ohio's statutes or regulations.

"Violation Group" identifies the numerical group (1-4) of the violation for purposes of calculating the civil forfeiture. Section 4923.99, Ohio Revised Code, authorizes the Public Utilities Commission of Ohio to assess a civil forfeiture of up to \$25,000 for each day of each violation. The amount of any forfeiture depends upon the nature, gravity, circumstances, and extent of the violation, the offender's degree of culpability for the violation, and the offender's history of violations. "Total Amount Due" is the total amount of the civil forfeiture assessed for all violations described in this notice.

For additional information regarding the civil forfeiture program, please contact the Compliance Division.
