{¶ 2} On November 30, 2015, DP&L filed applications for an increase in electric distribution rates, for accounting authority, and for approval of revised tariffs.

{¶ 3} On March 12, 2018, Staff filed a written report of its investigation (Staff Report). Copies of the Staff Report were mailed to the company and other persons deemed to be interested in the case.

{¶ 4} By Entry issued March 14, 2018, the attorney examiner issued a procedural schedule for these proceedings that, in part, established an April 11, 2018 deadline for filing motions to intervene. To date, the following entities have filed motions to intervene: Industrial Energy Users-Ohio (IEU-Ohio); Ohio Consumers' Counsel (OCC); Ohio Manufacturers' Association Energy Group (OMAEG); Ohio Energy Group (OEG); The Kroger Co. ¹ Energy Freedom Coalition of America, LLC (EFCA) filed a motion to intervene; however, on October 14, 2016, EFCA notified the Commission of its withdrawal from participation in these proceedings. Additionally, although it filed notice of withdrawal of counsel, the record reflects that no formal motion to intervene was filed by EnerNOC, Inc.
