REVISED

**EXHIBIT C-4
Financial Arrangements**

AK Electric Supply (Applicant) was created as a CRES only to handle the power going to AK Steel Corporation (AK Steel). However, as of this date, Applicant has not brokered, marketed, etc. any power for AK Steel and therefore has not arranged for any collateral with a LDU. The power from the Sun Coke goes through EDF into PJM and then to AK Steel's Butler Pennsylvania Works. Applicant does not participate in any arrangements.
