

May 1, 2018

Mrs. Barcy McNeal  
Commission Secretary  
The Public Utilities Commission of Ohio  
180 East Broad Street  
Columbus, OH 43215

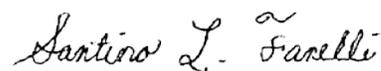

SUBJECT: Case Nos. 18-565-EL-ATA  
89-6008-EL-TRF

Dear Mrs. McNeal:

In response to and compliance with the Entry dated February 25, 2015 in Case No. 13-579-AU-ORD and the Order dated September 7, 2016 in Case No.15-975-EL-ATA (Order), respectively, The Toledo Edison Company (TE) is submitting this application in the above referenced docket. A 60-day notice has been given to affected attaching entities, prior to this filing, to inform them of the upcoming tariff adjustment.

The filing herein includes redline and clean pages from the Pole Attachment Tariff (Exhibit A and Exhibit B, respectively), along with workpapers supporting the proposed changes to update the annual rental fees based on 2017 FERC Form 1 data (Exhibit C). Please file the attached Pole Attachment Tariff pages on behalf of TE. Pursuant to the Order, the proposed changes shall become effective July 1, 2018, unless otherwise ordered by the Commission. Please file one copy of the tariffs in Case Nos. 18-565-EL-ATA and 89-6008-EL-TRF and provide two copies to the Staff

Sincerely,

Santino L. Fanelli  
Director, Rates & Regulatory Affairs

**POLE ATTACHMENT TARIFF**

**APPLICABILITY:**

This rate is available to any person or entity other than a public utility within the Company's service territory who shall contract for a specified number of pole attachments or contacts, subject to the specific conditions set forth in the General Rules and Regulations Concerning Pole Attachments. Attachments under this tariff shall be made pursuant to 4901:1-3, Ohio Administrative Code.

Overhead contact service shall consist of providing the opportunity to any person or entity other than a public utility to attach or contact, or to reserve the right to attach or contact, communication cable facilities to poles owned by the Company for the purpose of routing cables required for the transmission of information or signals.

Underground occupancy service shall consist of providing the opportunity to any person or entity other than a public utility to utilize the Company's trenches jointly for the purpose stated above.

**RATE SCHEDULE:**

**OVERHEAD CONTACT SERVICE**

ANNUAL NET RATE (per each pole contact or attachment):

~~\$9.20~~9.96 per one foot of usable space

The rates contained in this tariff shall be updated on an annual basis. No later than May 1st of each year, the Company shall file with the PUCO a request for approval of the rider charges which, unless otherwise ordered by the PUCO, shall become effective on July 1st of each year.

**UNDERGROUND OCCUPANCY SERVICE**

ONE TIME CHARGE (underground trench occupancy):

- |   |          |
|---|----------|
| (1) Main line trench, per each foot jointly occupied, not to exceed | \$ 1.99  |
| (2) Service trench, if requested, per each service, not to exceed   | \$136.00 |

The charge for underground occupancy service shall be made prior to the actual installation of cable facilities within Company trenches and shall cover the entire period of occupancy of the trench. Nonpayment of any such charge when due shall constitute a default. Upon default, the Company will install its cable and the customer will lose any right to joint occupancy in that particular trench.

**INITIAL CHARGE:**

A one-time application fee of \$5.00 will be made for each pole contact reserved during the term of the contact.

**TERMS OF PAYMENT:**

The annual rental amount is due and payable within a period of fourteen (14) days after the commencement of each rental year and shall be based on all contacts and attachments or pole space reserved at any time during the rental period. After thirty (30) days a service charge of one and one-half percent (1½%) per month on the unpaid balance for an annual rate of eighteen percent (18%) shall be assessed by the Company on overdue bills. Any and all other bills, including make ready work, are due and payable within twenty-one (21) days of receipt. The twenty-one day period to accept a valid estimate for make ready work and make payment will be held in abeyance pending resolution of any dispute or inquiry. After twenty-one (21) days, a service charge of one and one-half percent (1½%) per month on the unpaid balance for an annual rate of eighteen percent (18%) shall be assessed by the Company on overdue bills.

---

Filed pursuant to Orders dated February 25, 2015 and September 7, 2016 in Case Nos. 13-579-AU-ORD and 15-975-EL-ATA,  
and Case No. ~~17-200718-565~~-EL-ATA, respectively, before  
The Public Utilities Commission of Ohio
