RE: Global Crossing Local Services, Inc.
P.U.C.O. Tariff No. 4
Case No 10-2387-TP-COI

Dear Ms. McNeal:

Global Crossing Local Services, Inc. ("Global Crossing") hereby submits this letter in accordance with the Commission's Entry of April 26, 2018 in Case Number 10-2387-TP-COI to confirm that the terminating switched access rates currently on file in its P.U.C.O. Tariff No. 4 are in compliance with 47 C.F.R 51.911.

Global Crossing's intrastate terminating switched access rates refer to its corresponding interstate access rates, which are at parity with the applicable ILEC access rates. Therefore, the Company is already in compliance with the requirements of PUCO Case No. 10-2387-TP-COI and no intrastate access tariff revisions are required at this time.

Should you have questions or require additional information regarding this filing, please contact me at (614) 221-5354.

Sincerely,

 5-4-18
Josh Motzer
