RE: Case No. 10-2387-TP-COI  
Public Utilities Commission of Ohio

Dear Sir or Madam:

In compliance with the Commission's Order in Case No. 10-2387-TP-COI, I am writing on behalf of Telecom Management, Inc. d/b/a Pioneer Telephone ("TMI") in its capacity as a reseller of Local Exchange Services within the State of Ohio, to respond to the Commission's directive concerning the reduction in intrastate and interstate end-office access rates.

TMI is licensed as a reseller of local exchange services within the State of Ohio.<sup>1</sup> TMI does not bill or collect access charges for interexchange carriers operating within the State of Ohio and TMI does not have an intrastate access tariff on file with the Ohio Commission.

TMI is hereby submitting that this letter for inclusion into this Docket and represents that since it does not have an access tariff on file and does not bill access charges, it is not obligated to file an access charge reduction and the submission of this letter into this Docket evidences TMI's compliance with the Commission's Order.

Sincerely,

/s/ Leon Nowalsky
