Discount: Participants shall receive a reduction off of the line connection fee for a single residence line at the customer's principal residence.

Link Up Assistance is available to residential customers who are currently participating in one of the following assistance programs:

Medical Assistance under Chapter 5111 of the Ohio Revised Code (Medicaid)
Food Stamps
Supplemental Security Income (SSI) under Title XVI of the Social Security Act
Federal public housing assistance, or Section 8
Low Income Home Energy Assistance Program

A reduction of the Telephone Company's applicable service connection charges equal to one-half of such service connection charges, or \$30.00, whichever is less.

The discount only applies to a single telephone line at the principle place of residence the discount may only be used once unless the customer changes residence.
