**Re: Dominion Energy Ohio PIR 2428 Replacement Project,
Case No. 18-515-GA-BNR**

Dear Ms. McNeal:

On April 17, 2018, the Ohio Power Siting Board ("OPSB") Staff issued a Report of Investigation approving Dominion Energy Ohio's ("DEO") Construction Notice subject to a number of conditions. Condition No. 1 requires DEO to provide copies of permits and authorizations, including all supporting documentation, to Staff.

In compliance with Staff Report Condition No. 1, attached is a copy of the e-mail correspondence regarding the City of Akron's approval of the revised SWPPP.

Please feel free to contact me if you have any questions.

Sincerely,

Devin D. Parram

Subject: SWPPP Approval for Dominion Energy Ohio PIR 2428 - Woodsvie Drive Project

Good afternoon, Paul:

Based on the addition of a new temporary access to the project area, Dominion Energy Ohio revised the SWPPP and Summit County approved the revised SWPPP. I don't think this was provided to you.

Please reply to this message with any concerns the City may have with the SWPPP. If none, please reply to this message with a message of approval.

Thank you,

Greg
