RE: Request for an Administrative Hearing Case No. OH1569000327S3

ATTENTION: DOCKETING DIVISION:

We are requesting an administrative hearing for the above referenced case. The Notice of Preliminary Determination is attached. As per our telephone conversations with Thomas Persinger on April 25<sup>th</sup> and April 26<sup>th</sup>, Philadelphia Energy Solutions Refining & Marketing LLC (PES) was not responsible for shipment of the RCRA empty truck referenced in the violation. The manifest cited in the notice was a copy of the original manifest. This copy was with the RCRA empty truck to show what the truck last contained. The original shipment was received by the designated facility on February 26, 2018. The inspection of the RCRA empty truck was performed on March 2, 2018.

The manifest copy provided by the driver as well as the second copy emailed to the Ohio Public Utilities Commission were provided by Sumter Transport Company, not by PES. PES was not contacted regarding this shipment during the inspection or subsequent to the inspection until receipt of the alleged notice of violation. The original manifest was legible and a copy is attached for your review.

Further communication on this matter should be addressed to:

#### 4. Codes, Violation Groups, and Forfeiture Amounts

"Code" in this notice identifies the rule that was violated. Numbers in a 100 or 300 series refer to specific sections of the Hazardous Materials Regulations or the Federal Motor Carrier Safety Regulations located in Title 49 of the Code of Federal Regulations (C.F.R.). Some section numbers may have suffixes beyond those which appear in the C.F.R. These are used for internal data collection purposes. Codes in other formats refer to violations of Ohio's statutes or regulations.

"Violation Group" identifies the numerical group (1-4) of the violation for purposes of calculating the civil forfeiture. Section 4923.99, Ohio Revised Code, authorizes the Public Utilities Commission of Ohio to assess a civil forfeiture of up to \$25,000 for each day of each violation. The amount of any forfeiture depends upon the nature, gravity, circumstances, and extent of the violation, the offender's degree of culpability for the violation, and the offender's history of violations. "Total Amount Due" is the total amount of the civil forfeiture assessed for all violations described in this notice.

For additional information regarding the civil forfeiture program, please contact the Compliance Division.

If you are "convicted" of violating any of the following: 49 C.F.R. 383.51, 391.15, 392.5(c)(2), 392.10, 392.80(a), 392.82(a), 395.13(d), 396.9(c)(2), or rule 4901:2-5-07(D) of the Ohio Administrative Code, you may be disqualified from operating a commercial motor vehicle for a minimum of 60 days. The federal regulations defines conviction as, "An unvacated adjudication of guilt, or a determination that a person has violated or failed to comply with the law in a court of original jurisdiction or by an authorized administrative tribunal, an unvacated forfeiture of bail or collateral deposited to secure the person's appearance in court, a plea of guilty or nolo contendere accepted by the court, the payment of a fine or court cost, or violation of a condition of release without bail, regardless of whether or not the penalty is rebated, suspended, or probated."
