Re: Case No. 10-2387-TP-COI – Compliance with FCC ICC/USF Order

Dear Ms. McNeal,

MCC Telephony of the Midwest, LLC (“MCC” or the “Company”), by counsel, submits this letter to confirm the Company’s continuing compliance with the access rate reduction requirements of the Federal Communications Commission’s (“FCC”) November 2011 ICC/USF Order (FCC 11-261). The Company’s rates for Ohio intrastate and interstate access services mirror the equivalent rates of the incumbent in MCC’s operating territory. As the incumbent revises its intrastate/interstate terminating rates in compliance with the FCC’s mandated rate reductions, MCC’s rates similarly will be reduced. Consequently, no additional tariff revisions need to be made by the Company at this time.

If there are any questions regarding this letter or the Company’s access rates, please contact me at 202-945-6649 or via email at wbrantl@kelleydrye.com.

Sincerely,

Winafred Brantl

Counsel for MCC Telephony of the Midwest, LLC
