

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
BERNHARD TME, LLC FOR
CERTIFICATION AS A COMPETITIVE RETAIL
NATURAL GAS BROKER/AGGREGATOR.

CASE No. 18-871-GA-AGG

ENTRY

Entered in the Journal on June 13, 2018

{¶ 1} On May 15, 2018, Bernhard TME, LLC (Bernhard TME) filed an application for certification as a competitive retail natural gas service (CRNGS) broker/agggregator.

{¶ 2} In accordance with R.C. 4929.20 and Ohio Adm.Code 4901:1-27-10, Bernhard TME's application is subject to a 30-day automatic approval process. Ohio Adm.Code 4901:1-27-10 further provides that, upon good cause shown, the Commission or an attorney examiner may suspend consideration of a certificate application. If an application for certification is suspended, the Commission shall act to approve or deny the application within 90 days of the suspension.

{¶ 3} The attorney examiner finds that good cause exists to suspend the 30-day automatic approval process with respect to Bernhard TME's application for certification, in order that the Commission and Staff may review the matter further.

{¶ 4} It is, therefore,

{¶ 5} ORDERED, That the automatic approval process for Bernhard TME's application for certification as a CRNGS broker/agggregator be suspended. It is, further,

{¶ 6} ORDERED, That a copy of this Entry be served upon each party of record.
