Both procedures are described below.

1. How to Pay the Forfeiture

You may make payment of the civil forfeiture indicated in this notice via one of the following methods:

2. How to Make a Request for Conference

If you believe that any of the violations described in this notice did not occur as alleged, that any of the occurrences described did not constitute a violation of the Commission's rules, that you were not responsible for the violations, or if you wish to present mitigating circumstances regarding the amount of the forfeiture, **you should submit a "Request for Conference"** as described in rule 4901:2-7-10, O.A.C. 3. Failure to Submit a Request for Conference

If you do not serve a timely "Request for Conference" in the manner described above, you will forfeit your right to further contest the violations described in this notice and the occurrence of the violations will be conclusively established. Such failure shall also constitute a waiver of your right to further contest liability to the state of Ohio for the civil forfeiture described in this notice and will result in the forfeiture amount being referred to the Ohio Attorney General's office for collection.

4. Codes, Violation Groups, and Forfeiture Amounts

"Code" in this notice identifies the rule that was violated. Numbers in a 100 or 300 series refer to specific sections of the Hazardous Materials Regulations or the Federal Motor Carrier Safety Regulations located in Title 49 of the Code of Federal Regulations (C.F.R.). Some section numbers may have suffixes beyond those which appear in the C.F.R. These are used for internal data collection purposes. Codes in other formats refer to violations of Ohio's statutes or regulations.

"Violation Group" identifies the numerical group (1-4) of the violation for purposes of calculating the civil forfeiture. Section 4923.99, Ohio Revised Code, authorizes the Public Utilities Commission of Ohio to assess a civil forfeiture of up to \$25,000 for each day of each violation. The amount of any forfeiture depends upon the nature, gravity, circumstances, and extent of the violation, the offender's degree of culpability for the violation, and the offender's history of violations. "Total Amount Due" is the total amount of the civil forfeiture assessed for all violations described in this notice.

For additional information regarding the civil forfeiture program, please contact the Compliance Division.

5. Violations of 49 C.F.R. 383.51, 391.15, 392.5(c)(2), 392.10, 392.80(a), 392.82(a), 395.13(d), 396.9(c)(2), and rule 4901:2-5-07(D) of the Ohio Administrative Code

If you are "convicted" of violating any of the following: 49 C.F.R. 383.51, 391.15, 392.5(c)(2), 392.10, 392.80(a), 392.82(a), 395.13(d), 396.9(c)(2), or rule 4901:2-5-07(D) of the Ohio Administrative Code, you may be disqualified from operating a commercial motor vehicle for a minimum of 60 days. The federal regulations defines conviction as, "An unvacated adjudication of guilt, or a determination that a person has violated or failed to comply with the law in a court of original jurisdiction or by **an authorized administrative tribunal**, an unvacated forfeiture of bail or collateral deposited to secure the person's appearance in court, a plea of guilty or nolo contendere accepted by the court, the **payment of a fine** or court cost, or violation of a condition of release without bail, regardless of whether or not the penalty is rebated, suspended, or probated."

6. Violation of 4901:2-6 - Failure to File Uniform Hazmat Application

If this violation appears on this notice, you are required to **immediately** file a Uniform Program Registration and Permit application for the transportation of hazardous materials/hazardous wastes. Instructions are enclosed. **Do not** combine your forfeiture payment with your registration fee.
