

In the Matter of Vectren Energy Delivery of Ohio, Inc.) Case No. 18-1027-GA-UNC
)
)
)

Pursuant to Ohio Revised Code § 4903.221 and O.A.C. 4901-1-11, The City of Dayton (“Dayton”) hereby moves to intervene in these proceedings. Dayton has a number of real and substantial interests in these proceedings and its interests, which may be prejudiced by the results of these proceedings, and are not adequately represented by existing parties. Thus, as set forth more fully in the attached memorandum in support, Dayton respectfully requests that the Commission grant this timely request to intervene.

impair or impede his or her ability to protect that interest, unless the person's interest is adequately represented by existing parties.

O.A.C. 4901-1-11(A) (emphasis added). “The regulation’s text is very similar to Civ. R. 24 – the rule governing intervention in civil cases in Ohio – which is generally liberally construed in favor of intervention.” *Ohio Consumers’ Counsel v. Pub. Util. Comm.*, 111 Ohio St. 3d 384, 387 (2006) (internal quotations omitted). In considering a motion to intervene, the Commission’s rule directs that the Commission should consider: the nature and extent of the intervenor’s interest; the legal position advanced by the intervenor and its probable relation to the merits of the case; whether intervention will unduly prolong or delay the proceedings; whether the intervenor will significantly contribute to full development and equitable resolution of the factual issues; and the extent to which the intervenor’s interest is represented by existing parties. *See* O.A.C. 4901-1-11(B)(1)-(5); *see also* R.C. § 4903.221(B)(1)-(4). Dayton’s motion to intervene satisfies each of these factors.

III. Argument

A. The Nature And Extent Of Dayton’s Interest

Dayton is directly affected by the Application as a large industrial customer in Vectren’s service territory. Dayton is also impacted by the Application on behalf of its residents, who are all customers in Vectren’s service territory and who are accordingly affected by the proposals in the Application. This indirect impact includes, among other things, the impact of the Application on economic development and low-income customers. The structure and pricing of Vectren’s Application will directly impact both Dayton and its residents. As such, Dayton has a substantial interest in the outcome of this proceeding and in ensuring that the rates are established appropriately. That interest cannot be represented by any other party to this proceeding, as no other party to this proceeding represents Dayton’s interest as a customer.

B. The Legal Position Asserted By Dayton

Dayton supports Vectren's goals of providing safe and reliable service. However, the specific details regarding how the Application is implemented may have a significant impact on Dayton. As such, Dayton seeks to intervene to ensure that Vectren's Application is implemented in an orderly manner consistent with all relevant legal principles.

C. Dayton's Intervention Will Not Unduly Prolong Or Delay The Proceedings

The Application was filed on June 15, 2018. The Attorney Examiners have not established a deadline for intervention. As a result, Dayton's Motion to Intervene is timely and will not prejudice any existing parties or unduly prolong or delay the proceedings.¹

D. Dayton Will Contribute To The Full Development Of Factual Issues And Dayton's Interests Are Not Already Represented By Existing Parties.

Dayton is a large customer with extensive operations in Vectren's service territory, and as a result is uniquely situated to contribute to the full development of factual issues in this case. Dayton has substantial experience in Commission proceedings which experience may benefit the Commission's review of the Application.² Dayton's participation will significantly contribute to the full development and resolution of the issues raised by the Application. Dayton's interests are not already represented by existing parties, as no other party currently involved in this proceeding currently represents Dayton's interests as a customer or Dayton's interests regarding its residents.

IV. Conclusion

¹See O.A.C. 4901:1-11(E) (providing that a motion to intervene "will not be considered timely if it is filed later than five days prior to the scheduled date of hearing or any specific deadline established by order of the commission for purposes of a particular proceeding").

² See, e.g., Case No. 16-395-EL-SSO; Case No. 15-1830-EL-AIR; 12-426-EL-SSO; Case No. 08-1094-EL-SSO.

WHEREFORE, Dayton respectfully requests that the Commission grant this Motion to Intervene and allow Dayton to be made a party of record to this proceeding.

Respectfully submitted,

/s/ N. Trevor Alexander
