DOCKETING CASE #: 17-1948-TP-UNC

SUBJECT: AT&T Ohio - Regarding PUCO

Please docket the following comments in the case number above.

I am a Social Worker for the Senior population, which is huge. If the Lifeline Discount is terminated many Seniors will not be able to afford to have a home phone, which may be the only connection they have to family, medical care, senior services, and accessing help. Landline phones are ridiculously expensive and the "free" cell phones are unreliable and complicated for Seniors to use.

My comment is extend the lifeline program; do not allow this program to end. Some citizens require a land line and this discount really helps them continue to afford it.
