**Re: Dominion Energy Ohio Construction Notice for an Extension of
PIR 620 Pipeline Replacement Project, Perry Township,
Stark County, Ohio, Case No. 18-1110-GA-BNR**

Dear Ms. Turkenton and Ms. McNeal:

This letter serves as Dominion Energy Ohio's ("Applicant" or "DEO") pre-application notification letter in order for the Ohio Power Siting Board ("Board") to open a Construction Notice case for a proposed 1,100 foot replacement pipeline segment connected to the earlier PIR 620 pipeline replacement project in Perry Township, Stark County, Ohio.

In accordance with Ohio Administrative Code ("OAC") Rule 4906-6-03(A), DEO provides the following information:

Project Description: DEO is planning to replace approximately 1,100 feet of existing 10-inch bare steel pipe with approximately 1,100 feet of 16-inch steel pipe within DEO's existing easement and public right-of way. This project will be located on Southway Street (or County Road 246) west of the new pipeline which is the subject of Case No. 17-1944-GA-BNR.

Anticipated Project Schedule: The construction of the pipeline is anticipated to begin as soon as the Construction Notice is approved. DEO plans to place the line in-service by the end of September 2018.

Expedited Treatment: DEO requests expedited treatment for this application, and will submit payment of \$2,000 in accordance with OAC Rule 4906-6-04(A)(2).

Sincerely on behalf of
DOMINION ENERGY OHIO

Sally W. Bloomfield
