

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
CYNTHIA KERCHER FOR CERTIFICATION
AS AN ELIGIBLE OHIO RENEWABLE
ENERGY RESOURCE GENERATING
FACILITY.

CASE NO. 13-685-EL-REN

ENTRY

Entered in the Journal on July 11, 2018

I. SUMMARY

{¶ 1} The Commission finds that Certificate No. 13-SPV-PA-GATS-0272 should be rescinded, and this case should be dismissed and closed of record.

II. DISCUSSION

{¶ 2} On March 27, 2013, Sol Systems LLC, on behalf of Cynthia Kercher (Applicant), filed an application for certification as an eligible Ohio renewable energy resource generating facility. The name of the facility is Kercher-Cynthia-PA-PV-9.9kW Residence (Facility) located at 1624 West Kercher Avenue, Lebanon, PA 17046. According to the application, the facility is a solar photovoltaic electricity generator.

{¶ 3} Ohio Adm.Code 4901:1-40-04(F)(2) provides for automatic approval of an application for certification as an eligible Ohio renewable energy resource generating facility, unless the Commission suspends the application within 60 days. Applicant received automatic approval on May 24, 2013, and the Facility was issued Certificate No. 13-SPV-PA-GATS-0272.

{¶ 4} On May 11, 2018, Applicant filed a request for decertification, indicating that the Facility was destroyed on March 2, 2018, due to wind damage. Applicant also stated that the existing solar photovoltaic panels were removed and new panels have been installed, which will have a new interconnection.

{¶ 5} The Commission finds that Applicant's request to rescind Certificate No. 13-SPV-PA-GATS-0272 is reasonable and should be granted.

III. ORDER

{¶ 6} It is, therefore,

{¶ 7} ORDERED, That Certificate No. 13-SPV-PA-GATS-0272 be rescinded. It is, further,

{¶ 8} ORDERED, That Case No. 13-685-EL-REN be dismissed and closed of record. It is, further,

{¶ 9} ORDERED, That a copy of this Entry be served upon all parties of the record.
