### ENTRY

Entered in the Journal on July 12, 2018.

{¶ 1} The Dayton Power and Light Company (DP&L) is a public utility as defined under R.C. 4905.02, and, as such, is subject to the jurisdiction of this Commission. On February 22, 2016, DP&L filed an application for a standard service offer pursuant to R.C. 4928.141. DP&L's application is for an electric security plan (ESP) in accordance with R.C. 4928.143. Additionally, DP&L filed accompanying applications for approval of revised tariffs and for approval of certain accounting authority.

{¶ 2} Thereafter, on October 11, 2016, DP&L filed an amended application for an ESP.

{¶ 3} On January 30, 2017, a stipulation and recommendation was filed by DP&L and various parties. Subsequently, on March 14, 2017, an amended stipulation and recommendation (Amended Stipulation) was filed by DP&L and various parties, including additional parties that were not part of the first stipulation.

{¶ 4} On October 20, 2017, the Commission issued its Opinion and Order in this proceeding, modifying and approving the Amended Stipulation.

{¶ 5} On November 17, 2017, an application for rehearing was filed by The Ohio Environmental Council and the Environmental Defense Fund. Further, on November 20, 2017, applications for rehearing were filed by Murray Energy Corporation and Citizens to Protect DP&L Jobs, Ohio Consumers' Counsel (OCC), DP&L, Industrial Energy Users-Ohio, Retail Energy Supply Association, IGS Energy, Inc., Ohio Manufacturers' Association Energy Group, and The Kroger Co. On December 6, 2017, the Commission granted rehearing for further consideration of the matters raised on rehearing. OCC filed a second application for rehearing on January 5, 2018, which was denied by the Commission on January 31, 2018.

{¶ 6} Among other terms, the Amended Stipulation provided that DP&L would file a comprehensive infrastructure modernization plan by the earlier of three months after the completion of the Commission's PowerForward initiative or February 1, 2018, unless an extension is recommended by Staff or granted by the Commission. In the Opinion and Order, the Commission modified the Amended Stipulation to extend the time for the filing of a comprehensive infrastructure modernization plan to the earlier of three months after the completion of the Commission's PowerForward initiative or August 1, 2018, unless otherwise ordered by the Commission. However, because the Commission is currently continuing its work in the PowerForward initiative and because DP&L should have a full opportunity to incorporate the results of the initiative into its comprehensive infrastructure modernization plan, the attorney examiner finds, *sua sponte*, that the deadline for the filing of the comprehensive infrastructure modernization plan should be extended to the earlier of three months after the completion of the Commission's PowerForward initiative or December 3, 2018, unless otherwise ordered by the Commission.

{¶ 7} It is, therefore,

{¶ 8} ORDERED, That, unless otherwise ordered by the Commission, DP&L file its comprehensive infrastructure modernization plan by the earlier of three months after the completion of the Commission's PowerForward initiative or December 3, 2018. It is, further,

{¶ 9} ORDERED, That a copy of this Entry be served upon each party of record.
