Tenth Revised Sheet No. 18

**RULES AND REGULATIONS GOVERNING THE DISTRIBUTION AND SALE OF NATURAL GAS IN
THE STATE OF OHIO**

-
- 41. Ohio Mcf Tax Rider.** The Ohio Excise Tax on each per MCF of natural gas distributed by the company through a meter of an end user in this state shall be applicable to all gas delivered by the Company to customers billed by the Company under its current Rate GS rate schedule.

All bills shall be adjusted to recover the Ohio Excise Tax by \$.0411 per Mcf delivered.

- 42. Uncollectible Expense Rider.** Applicable to all customers served under the Company's current Rate GS rate schedule. An additional charge of \$.0007 per Mcf shall be applied to all volumes of service rendered to recover cost associated with uncollectible accounts arising from those customers responsible for paying the Uncollectible Expense Rider. The Company shall file an application with the Public Utilities Commission of Ohio requesting approval to change the rate if the Company determines that an adjustment of more than plus or minus ten (10) percent is needed to adjust for prior period over- or under-collections.

- 43. RECONCILIATION** The Uncollectible Expense Rider is updated annually. The Company's actual uncollectible expense for the applicable Rate Schedules, including carrying charges, shall be reconciled annually, with any over or under collection being reflected as a charge or credit in a subsequent update of the Rider Rate. The charge or credit may include Customer refunds if the Commission or Supreme Court of Ohio determines, as a result of an audit of the annual period in which the Rider Rate was in effect, that the Company's charge was unlawful or unreasonable or included imprudent amounts.
