Re: Case No. 16-1871-EL-BGN

Dear Ms. McNeal:

This correspondence is being submitted in the above proceeding on behalf of the Business Network for Offshore Wind, Inc. (the "Business Network"). Although the Business Network does not have a list of issues with specific concerns at this time about which the Business Network would be interested in pursuing cross-examination of witnesses at the evidentiary hearing, the Business Network provides notice to the Board and other parties that it reserves the right to pursue cross-examination of witnesses based on issues that may be raised in the testimony yet to be filed in this proceeding.

Very truly yours,

/s/ Michael J. Settineri
