DOCKETING CASE #: [17-1948-TP-UNC](#)

SUBJECT: AT&T Ohio - Assistance Programs

AT&T has promised for years to take care of its elderly customers that helped build its Company. It has now chose to turn its back on its back on years of commitments for the mighty dollar. AT&T has received Billions in Tax breaks for the Government to screw the American people over and over. When will their big pockets be stopped for what is right? Its time to listen to the People and not the mighty dollar.

Please docket the customer's complaint in the case number above.
