Dear Nextlink Wireless, Inc.,

This is a notice from the Public Utilities Commission of Ohio (PUCO) that our records indicate Certificate ID# 90-9325P has not submitted their 2017 telephone relay service reporting form. **You have 10 days left and a civil forfeiture may be assessed for non-compliance.** The Commission has ordered you to file your TRS reporting form by July 20, 2018 and directed that a civil forfeiture may be assessed against those companies who fail to file, pursuant R.C. 4905.84. (Case No. 08-815-TP-ORD, finding and order, June 20, 2018).

Companies must register to gain access to the PUCO Community and file the 2017 TRS reporting form. Please call (614) 466-6904 to register.

File your TRS reporting form: Please immediately log in to our new online filing system in the PUCO Community at <https://community.puco.ohio.gov>, and click on Mandatory Reports to start your TRS reporting form. **Need help in filing?** Please look for our user guides on the PUCO website.

Received in error or you already filed? If you have submitted the TRS reporting form and received an email confirmation, please contact us at (800) 686-PUCO (7826) or (614) 466-4095.

All service providers required under federal law to provide customers with access to telecommunications relay service are required to file a 2017 TRS reporting form.
