Re: Ohio Wastewater Systems, Inc.
Revised Bill Format
Case No. 18-1208-ST-ATA
Case No. 89-7054-ST TRF

Dear Ms. McNeal:

By its application in Case No. 18-1208-ST-ATA filed July 30, 2018, Ohio Wastewater Systems, Inc. ("OWSI") requested approval of a change to its current bill format set forth in Appendix B to its tariff, P.U.C.O. No. 1. Although the Commission staff, by its report dated August 30, 2018, recommended approval of the application, the Commission did not act on the application within 45 days. This means that, pursuant to Rule 4901:1-15-23(B), Ohio Administrative Code, the revised bill format is automatically approved effective the 46th day from the date of filing, or September 14, 2018.

Accordingly, a copy of the revised bill format is attached, which is to be filed in OWSI's TRF docket, Case No. 89-7054-ST-TRF, and which replaces previous version of Appendix B, which should be withdrawn and cancelled.

Thank you for your attention to this matter.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business. Technician C.B. Date Processed 9/17/18

Respectfully submitted,
