Re: Case No. 18-376-GA-RDR, *In the Matter of the Application of Suburban Natural Gas Company for Approval of an Energy Efficiency Program (EEP) Pilot and Rider EEP Rate*

Dear Ms. McNeal,

On March 16, 2018, Suburban Natural Gas Company (Suburban) filed an Application for Approval of an Energy Efficiency Program (EEP) Rider. Suburban hereby files the attached revisions to Exhibit C of that Application. Specifically, Suburban has modified the language of the tariffs included in the original application that stated that the EEP Rider is subject to reconciliation or adjustment including, but not limited to, increases or refunds. Suburban, Staff, and the Office of the Ohio Consumers' Counsel have all agreed to the modified language. The amended tariff also incorporates the revised monthly per bill rate filed on May 4, 2018 in amended Exhibit E.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Kimberly W. Bojko
