Dear Ms. Magaziner,

Clearview Electric, Inc. d/b/a Clearview Energy (“Clearview”) would like to make an amendment to the license renewal under case number 16-0786-EL-CRS filed on April 12, 2018. On May 14, 2018 the Ohio PUC approved Clearview’s license renewal application, Certificate Number: 16-1076E(2). On the application Clearview inadvertently omitted a checkmark next to Power Marketer. Clearview would like to amend this to say Power Marketer in order to serve customers in all Ohio utilities that it has been registered in.

If there are any questions or concerns, please feel free to contact me directly.

Respectfully,

Jeremy Reed
