12-INCH HIGH PRESSURE PIPELINE REPLACEMENT

On September 17, 2018, Dominion Energy Ohio (“DEO”) filed a Letter of Notification (“LON”) for PIR 1410 – Wapakoneta 151-180. Since the filing of this LON, DEO has obtained an easement with Auglaize County which will allow the pipeline to be installed around culvert 170+80 on Buckland Holden Road. Below is a map of a portion of the proposed pipeline route. This map indicates where various culverts are located along the pipeline route, including culvert 170+80 at Buckland Holden Road.

12-INCH HIGH PRESSURE PIPELINE REPLACEMENT

DEO hereby modifies the pipeline route so that the pipeline will be installed in the easement around culvert 170+80. Attached as Exhibit 1 is a design drawing demonstrating where the culvert and easement are located along the pipeline route. There will be no additional environmental impacts as a result of this modification to the proposed pipeline route.
