**Re: Constellation Energy Services, Inc.  
Case No. 00-1822-EL-CRS  
Intent to Not Renew Certificate**

Dear Secretary:

Constellation Energy Services, Inc. ("CES") hereby provides the Public Utilities Commission of Ohio ("PUCO") notice that it does not intend to renew its retail electric certificate which is set to expire November 5, 2018. This is not an abandonment as CES no longer has any contracts, customers or offers any services in Ohio. CES requests removal from the list of certificate suppliers.

Please note CES merged with and into its affiliate, Constellation NewEnergy, Inc. effective September 1, 2017. CES appreciates the opportunity it has had to serve the Ohio retail electric market.

Should you have any questions or need further information please contact me at 312-681-1855 or email at [Amy.Klaviter@constellation.com](mailto:Amy.Klaviter@constellation.com).

Sincerely,

Amy Klaviter
