About the Ohio Power Siting Board

The Ohio Power Siting Board (Board), originally known as the Ohio Power Siting Commission, was created in 1972. The authority of the Board is outlined in [Ohio Revised Code \(ORC\) Chapter 4906](#).

Our mission is to support sound energy policies that provide for the installation of energy capacity and transmission infrastructure for the benefit of the Ohio citizens, promoting the state's economic interests, and protecting the environment and land use.

Public Open House Presentation at Attica Fairgrounds Social Hall

Public Outreach

Seneca Wind has exceeded requirements of the Ohio Siting Board, having held an informational open house April 17, and hosted three additional ones August 21, 22, and 23, 2018. Seneca Wind has reached out to residents, businesses, educators and community leaders throughout this process, and encourages direct engagement from Seneca County residents to answer questions or address concerns.
