Re: NTE Ohio, LLC, OPSB Case No. 14-534-EL-BGN

Dear Ms. McNeal:

The November 24, 2014, Opinion, Order, and Certificate ("Certificate") approving NTE Ohio, LLC ("NTE") Certificate of Environmental Compatibility and Public Need to Construct the Middletown Energy Center established a set of conditions as part of the Certificate.

Within this set of conditions, **Condition No. 21** requires that:

The Applicant will use reasonable efforts to provide as-built drawings in both hard copy and as geographically-referenced electronic data.

On August 7, 2018, NTE filed a hard copy of the as-built drawings. This letter confirms that NTE delivered to OPSB Staff the as-built geographically-referenced electronic data on October 25, 2018. Thus, NTE is in compliance with Condition No. 21.

Please contact me if you have any questions regarding this matter.

Sincerely,

Dylan F. Borchers

cc: Grant Zeto
