In the Matter of the Renewal Application of :  
: Case No: 14-1486-EL-AGG  
AUI Associates, Inc. for its Certification :  
: MOTION TO EXTEND THE  
as a Competitive Retail Electric Service : EXPIRATION OF SERVICE  
: PROVIDER CERTIFICATE  
Provider. :

Now comes AUI Associates, Inc., Certified as a Competitive Retail Electric Service Provider under Certificate Number 14-874E (2), which expired on September 25, 2018, and requests to extend this certificate during the pendency of a new application review for 60 days to November 24, 2018.

AUI Associates' failure to file a renewal application timely was the result of an administrative error involving a third-party, which error AUI Associates corrected, expecting that future renewals shall be timely.

This motion is made timely pursuant to Ohio Administrative Code 4901:1-27-04 which states in relevant part, to file "no later than sixty days after the expiration date on the certificate, to extend its previous certificate during the pendency of the new application review. If the motion is filed in conformance with rule 4901:1-27-07 of the Administrative Code, it shall be deemed automatically approved unless, within three business days of filing, the commission or an attorney examiner appointed by the commission rules otherwise."

AUI Associates requests that this motion be granted so that its customers do not

experience any interruption in service or other adverse impact as a result of AUI Associates' error.

AUI Associates will file a renewal application contemporaneously.

Respectfully submitted,

/s/ Luther L. Liggett, Jr.
