**Re: Public Information Meeting for the Nestlewood Solar Farm**

Dear [REDACTED]:

I am writing to let you know about a public information meeting scheduled for 6:00 p.m. to 8:00 p.m. on Wednesday, November 7, 2018, regarding a proposed solar energy project in your area. The meeting will be held at the Hamersville Elementary and Middle School, which is located at 1950 State Route 125, Hamersville, OH 45130. The meeting is open to the public and will provide information about the Nestlewood Solar Farm. Nestlewood Solar I LLC, an affiliate of Lendlease Energy, is proposing to build the Nestlewood Solar Farm, which will be a 80-megawatt solar electric generating project about three miles west of Hamersville in Clark Township in Brown County and Tate Township in Clermont County.

Following the public information meeting, Nestlewood Solar I LLC plans to file an application for a Certificate of Environmental Compatibility and Public Need for the project with the Ohio Power Siting Board ("OPSB"). The staff of the OPSB will then review and investigate the application and will issue a report with recommendations. An evidentiary hearing will be scheduled before an Administrative Law Judge and a local public hearing will also be scheduled. Following the evidentiary hearing, the OPSB will issue a written decision. If you want to file a motion to intervene or file comments in this proceeding, you may do so by sending them to the OPSB at its address below and referencing OPSB Case No. 18-1546-EL-BGN. If you would like to contact the OPSB about this process or the public information meeting (including notification on the timing of the meeting), you may reach its staff at the following contact information:
