Re: Public Information Meeting for the Alamo Solar Farm

Dear [REDACTED]:

I am writing to let you know about a public information meeting scheduled for 6:00-8:00 p.m. on Tuesday, November 13, 2018, about a proposed solar energy project in your area. The meeting will be held at the Toney Building on the Preble County Fairgrounds, which is located at 722 South Franklin Street, Eaton, Ohio 45320. The meeting is open to the public and will provide information about the Alamo Solar Farm. Alamo Solar I, LLC, an affiliate of Open Road Renewables, LLC, is proposing to build the Alamo Solar Farm, which will be an 89.9-megawatt solar electric generating project about two miles south of Eaton.

Following the public information meeting, Alamo Solar I, LLC plans to file an application for a Certificate of Environmental Compatibility and Public Need for the project with the Ohio Power Siting Board ("OPSB"). The staff of the OPSB will then review and investigate the application and will issue a report with recommendations. An evidentiary hearing will be scheduled before an Administrative Law Judge and a local public hearing will also be scheduled. Following the evidentiary hearing, the OPSB will issue a written decision. If you want to file a motion to intervene or file comments in this proceeding, you may do so by sending them to the OPSB at its address below and referencing OPSB Case No. 18-1578-EL-BGN. If you would like to contact the OPSB about this process or the public information meeting (including notification on the timing of the meeting), you may reach its staff at the following contact information:

Please call me at (512) 524-1195 or email me at doug@openroadrenewables.com with any questions about the public information meeting or the Alamo Solar Farm. Additionally, I will be in Preble County in the weeks before the meeting and would appreciate the chance to connect and discuss any questions or concerns. We look forward to hearing from you.

Kind Regards,

Doug Herling

NOTICE OF PUBLIC INFORMATION MEETING FOR PROPOSED MAJOR UTILITY FACILITY

Open Road Renewables, LLC and Alamo Solar I, LLC will be holding a public information meeting regarding plans to build an 89.9-megawatt state-of-the-art solar electric generating facility. The proposed electric generating facility will be located in Gasper and Washington Townships in Preble County near Eaton, Ohio. The new facility will generate electricity and interconnect with the regional transmission grid to supply the region with power. Construction of the facility is expected to commence during the fourth quarter of 2019 with substantial completion by the fourth quarter of 2020. The project is scheduled to be in service by the first quarter of 2021.

A public information meeting will be held from **6:00 p.m. to 8:00 p.m. on Tuesday, November 13, 2018** at the **Toney Building on the Preble County Fairgrounds** located at 722 South Franklin Street, Eaton, Ohio 45320. Company representatives will be present to discuss the proposed facility and answer questions.
