**RE: Citizens Against Clear Cutting, et al., Complainants  
v. Duke Energy Ohio, Inc., Case No. 17-2344-EL-CSS**

Dear Ms. McNeal,

It has come to our attention that a chart, Attachment D to the Testimony of Melisa Kuhne and Attachment I to the Testimony of Fred Vonderhaar, both filed on behalf of Complainants, is illegible and requires correction. Enclosed is a revised, corrected chart that was referenced in the testimonies and that should have been included with the testimonies. Ms. Kuhne's and Mr. Vonderhaar's testimonies regarding the chart remain unchanged.

Please do not hesitate to contact me should you have any questions.

Sincerely,

Kimberly W. Bojko
