Experian Business Credit Score

40

Business Credit Score

Medium Risk

The objective of the Experian Business Credit Score is to predict payment behavior. High Risk means that there is a significant probability of delinquent payment. Low Risk means that there is a good probability of on-time payment.

Key Score Factors:

- Company's business type.
- Risk associated with the company's industry.
- Number of employees.

Business Credit Scores range from a low of 1 to high of 100 with this company receiving a score of 40. Higher scores indicate lower risk. This score predicts the likelihood of serious credit delinquencies within the next 12 months. This score uses tradeline and collections information, public filings as well as other variables to predict future risk.

Experian Financial Stability Risk Rating

4

**Financial Stability Risk
Rating**

Medium-High Risk

**A Financial Stability Risk Rating of 4 indicates a
10% potential risk of severe financial distress
within the next 12 months.**

Key Rating Factors:

- Lack of active trades.
- Employee size of business.
- Risk associated with the company's industry sector.

Financial Stability Risk Ratings range from a low of 1 to high of 5 with this company receiving a rating of 4. Lower ratings indicate lower risk. Experian categorizes all businesses to fit within one of the five risk segments. This rating predicts the likelihood of payment default and/or bankruptcy within the next 12 months. This rating uses tradeline and collections information, public filings as well as other variables to predict future risk.

Credit Summary

This location does not yet have an estimated Days Beyond Terms (DBT), or a Payment Trend Indicator. This is often the result of too few active Payment Tradelines.

Please refer to Experian's www.BusinessCreditFacts.com website for more information on establishing Payment Tradelines.
