**DOCKETING CASE #:**18-0298-GA-AIR

**SUBJECT:** Vectren Energy Delivery of Ohio Inc - Protest Rate Case

I am concerned about and I oppose the proposed Vectren increase in the fixed delivery charge to \$35.41 per meter regardless of usage. I am retired on a fixed income, and this seems like too large an increase despite the recent improvements to infrastructure. My two main reasons to oppose this increase are (1) I am on a fixed income and have no way to adjust to this large an increase, and (2) this decreases my ability and incentive to economize on utility costs by conserving natural gas. Thank-you.
