DOCKETING CASE #:18-0298-GA-AIR

SUBJECT: Vectren Energy Delivery of Ohio Inc - Protest Rate Case

Please consider, if not outright rejecting Vectren's request, striking a compromise significantly below their requested \$35 /month automatic charge. I live alone in my apartment; I am able to keep keep heating costs manageable by maintaining a temperature between 60-64° indoors. This new proposal will limit the control I have over my financial situation and make it more difficult for me, as I work to manage school loans and the cost of every day living. I am one of thousands that will have their day to day lives affected by an uncompromising year round price hike. Please consider our case.

Please docket the customer's comment in the case number above.
