Re: **In the Matter of the Application of Hecate Energy Highland LLC for a Certificate of Environmental Compatibility and Public Need to Construct a Solar-Powered Electric Generating Facility in Highland County, Ohio, Case No. 18-1334-EL-BGN (Before the Ohio Power Siting Board)/Supplement to Application**

Dear Ms. McNeal:

On October 9, 2019, Hecate Energy Highland LLC ("Hecate") filed an application for a certificate of environmental compatibility and public need with the Ohio Power Siting Board to construct a solar-powered electric generating facility in Highland County, Ohio ("Application"). Hecate is filing this supplement to provide the Board with additional information regarding the Application. Hecate asks that the Board consider the following supplemental information as a part of the Application in this matter:

- GIS mapping data of collection lines and access roads demonstrating no impacts to wetlands and jurisdictional waters from the project as set forth in the Application at p 53 at the section captioned [4906-4-08(B)(1)(b)];
- Map of culturally significant landmarks within a ten-mile radius of the Project pursuant to Ohio Administrative Code 4906-4-08(D)(1)

This letter setting forth Hecate's supplement to the Application and the maps are being filed electronically. In addition, ten (10) USB drives containing the foregoing supplemental information in the Application have been hand delivered to you. After reviewing this supplemental information, please let us know if you have any further questions or need additional information.

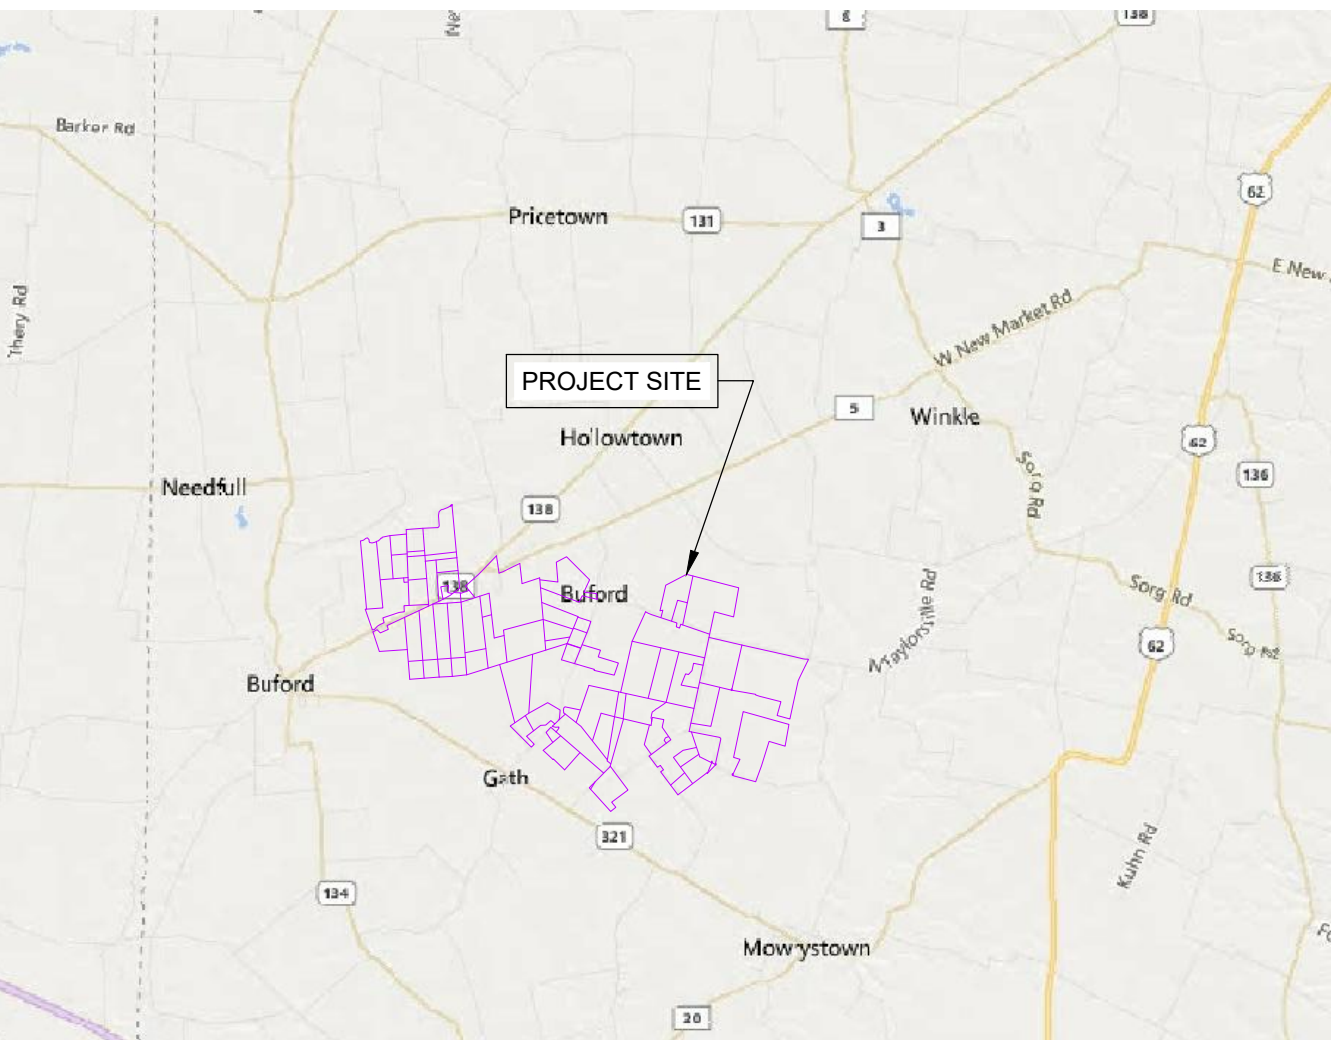

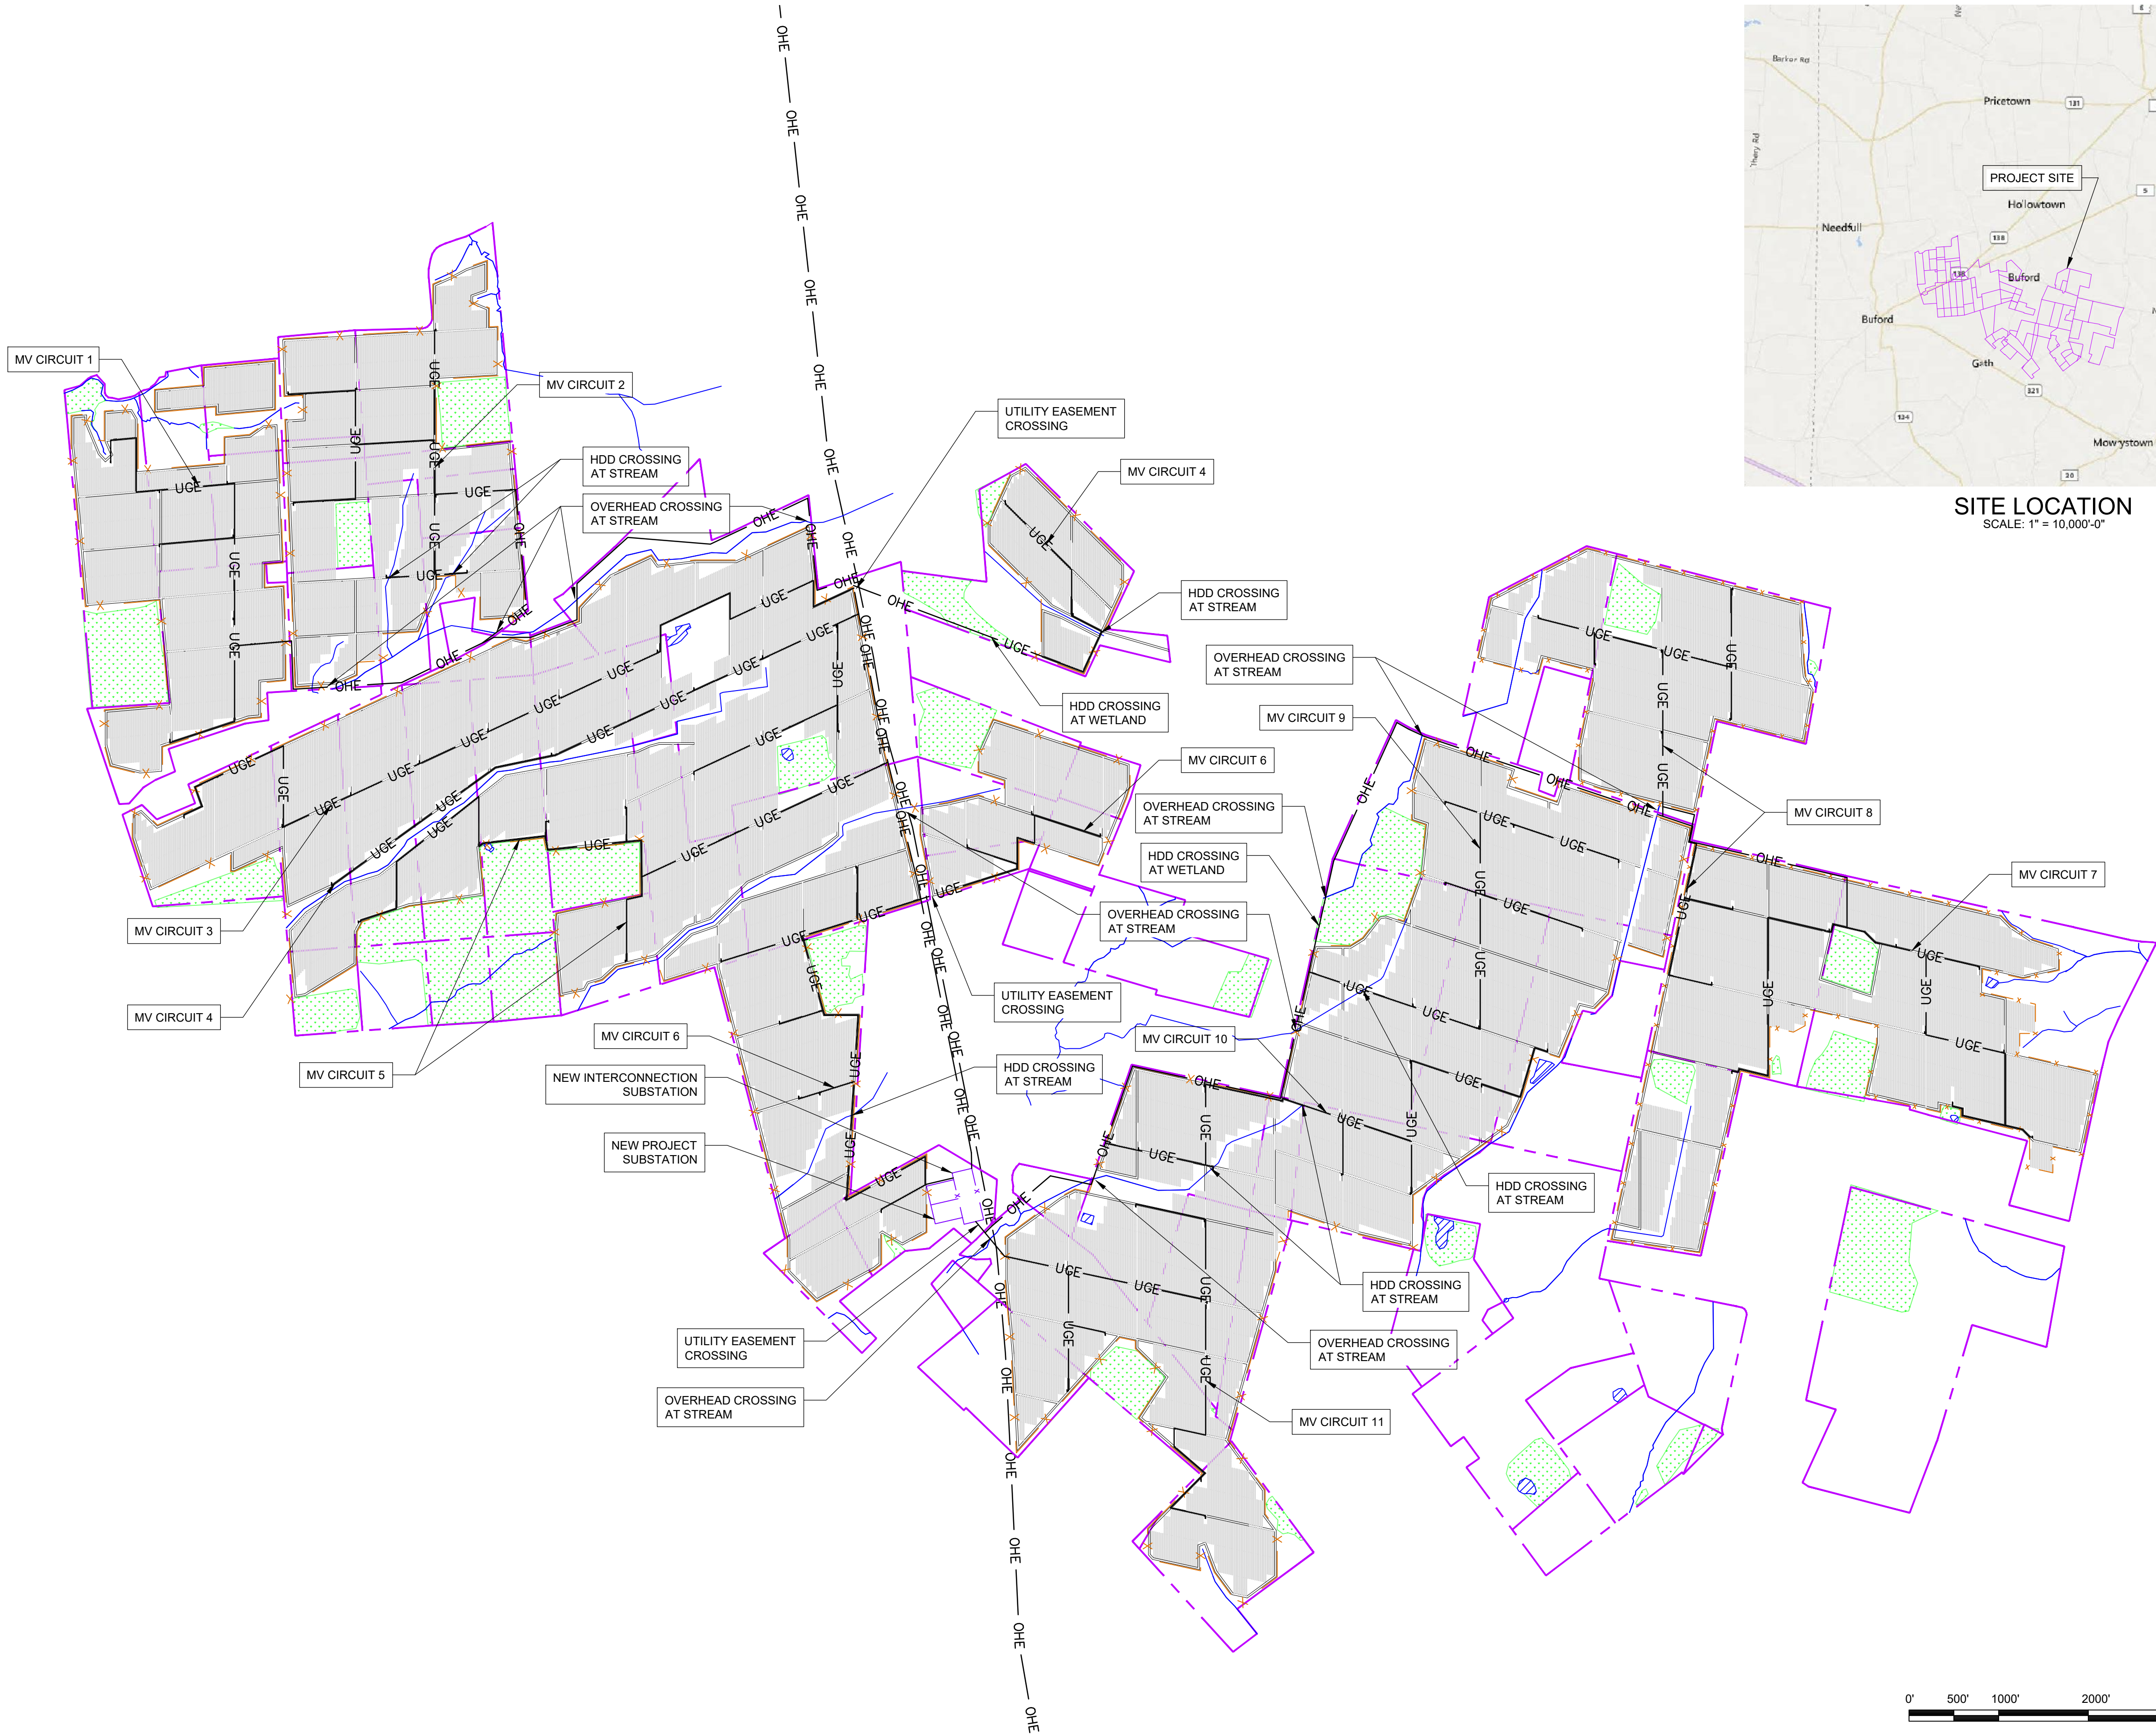

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Karen A. Winters", is written over the typed name.
