DOCKETING CASE #:18-1205-GA-AIR

SUBJECT: Suburban Natural Gas Company - Protest Rate Case

Please docket in the case number above.

Suburban Natural Gas is proposing a price increase of the monthly service charge from \$28 to \$41. This is a fixed increase regardless of monthly usage. It is ridiculous to charge this as a fixed cost. Businesses and residents should pay based on usage, not as a fixed cost. The current fixed cost is already too high. Let those that use more gas pay more. This gives no incentive to conserve gas and buy energy efficient appliances or houses. Consumers serviced by Suburban Natural Gas do not have a choice in their provider.

I highly disagree with this price increase and recommend you do not allow this proposal to go through.

Please represent the residents and give residential consumers a choice

SUBJECT: Suburban Natural Gas Company - Protest Rate Case

I received notice of a change in rates for Suburban Gas. The way I understand it, this moves more costs to fixed costs. The way I see it, this dissincent me being efficient. I'm curious how anyone thought this was a good idea.

Please docket in the case number above.

I can not believe an increase is the only answer? I live in a condo and don't feel like I can switch out for cheaper rates ? Can I.. this is ridiculous....I live in Lakes of Polaris...

t:

Suburban Natural Gas is proposing a steep price increase in the monthly flat charge for customers in my service area. They have a monopoly in this area so we have no other choices for suppliers. SNG is already much more expensive than Columbia Gas and I do not feel an increase of this magnitude is warranted. Thanks for looking into this increase.
