Exhibit A-13, Company History

AUI Associates, Inc. (AUI) has been an energy leader in the natural gas industry since 1994. As a retail marketer of Energy, AUI has a proven history of experience which allows us to offer our clients the most cost-effective programs in the industry. AUI works with our clients to design a strategy that allows their business to take full advantage of the deregulated energy markets.

AUI's customers were the first PECO firm customers to start saving back in 1994! AUI's original gas customers are still with us strong today, 20 years later. AUI's aggregation expertise allows customers to achieve saving discounts that the largest users enjoy.

AUI's customers were the first to save on PECO's "Lvt" low volume transportation back in 2001.

AUI has been through the lows of the early 1990's to the runaway high's starting after 9/11, peaking post "Katrina", then back to the lows with the recent "shale" gas boom and the latest December 2013 to February 2014 weather related spike in prices. AUI possesses the expertise and experience to utilize the best tools to manage this volatile market expense.

AUI's electric deregulation experience goes back to 1998! AUI was heavily involved in Pennsylvania's 1st electric deregulation phase in the late 1990's to early 2000.

AUI works with our clients to design a strategy that allows their business model to take full advantage of the deregulated energy markets.
