Dear Public Utilities Commission of Ohio,

At the end of November, I received notification of a settlement conference scheduled for January 3, 2019, at 1:00pm, at the offices of the Commission. I sincerely appreciate the opportunity to formally discuss my complaint.

While I look forward to this conference, my employer requests a 45-day notice for any scheduled time-off, and thus this date poses a potential conflict with my current work obligations. Please let this letter serve as a formally request for continuance, for 60-days from the assigned conference date. I believe this will allow time for your decision on the matter, for all parties to receive written notice, and then for me to provide my employer adequate notification.

Sincerely,

Gregory P. Weaver
