Page 15, Number 4 of the Plan of Operation and Governance Plan is amended to include the underlined content below so as to be in accordance with OAC rule 4901:1-21-16(B)(12)

4. Policies for Customers Moving Into/Out of the Municipality

Members who have left the Program, or who have moved into the City, may contact the City or its Supplier at any time to obtain enrollment information. There is however, no guarantee that customers opting-in at a later date will receive the same price, terms and conditions as did the initial participants. Suppliers are unable to hold price offerings for an unlimited amount of time, and if the City asks for such a requirement, the price offering received from suppliers will be higher to reflect the greater risk.

Customers who move within the City may remain a part of the program but will have to call the supplier to re-enroll because they will receive a new account number when service commences at their new address.
