DOCKETING CASE #:18-1205-GA-AIR

SUBJECT: Suburban Natural Gas Company - Regarding PUCO

Suburban Natural Gas is proposing a price increase of the monthly service charge from ~\$28 to ~\$41. This does not include monthly usage and is charged regardless of use. Consumers serviced by Suburban Natural Gas do not have a choice in their provider. This is a monopoly

I highly disagree with this price increase and recommend you do not allow this proposal to go through. Give consumers a choice!

Currently, Suburban already leads flat costs charging model. Much more than Columbia Gas' about 27 dollars. There is no reason why consumers of Suburban Gas should have to pay 50% more than that ! And all for NOT EVEN USING THE GAS!!! Nobody should have to pay ~500 dollars a year just for using a gas line!!

Please docket in the case number above.
