

Public comment 18-0488

This comment is to inform the OPSB that the water well location map (Fig 08-2 - rev.2) (page 12 of 96 in A1001001A19A02B21729F00201.pdf) submitted by Seneca Wind(18-0488) on 01/2/2019 does NOT show the locations of a great many well locations in the project footprint. The OPSB should NOT assume that this illustration is in any way a true representation of all wells that may be subject to impact by the project.
