

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
THE CLYDE SWEITZER RESIDENCE FOR
CERTIFICATION AS AN ELIGIBLE OHIO
RENEWABLE ENERGY RESOURCE
GENERATING FACILITY.

CASE NO. 18-1737-EL-REN

ENTRY

Entered in the Journal on January 28, 2019

{¶ 1} On November 30, 2018, Sol Systems, LLC, on behalf of Clyde Sweitzer (Applicant), filed an application in accordance with Ohio Adm.Code 4901:1-40-04(F) for certification as an Ohio renewable energy resource generating facility, as defined in R.C. 4928.01. According to the application, Applicant operates a 9.3 kw distributed solar photovoltaic electric generator in York County, York, Pennsylvania 17404.

{¶ 2} Pursuant to Ohio Adm.Code 4901:1-40-04(F), Applicant's application is subject to a 60-day automatic approval process. Ohio Adm.Code 4901:1-40-04(F) further provides that, upon good cause shown, the Commission may suspend the certification of an application. If an application for certification is suspended, the Commission may act to approve or deny the application within 90 days of the suspension.

{¶ 3} The attorney examiner finds that good cause exists to suspend the 60-day automatic approval process with respect to Applicant's application for certification. The Commission's Staff has requested additional time to review this application as it appears that Applicant has been unresponsive to Staff's interrogatories. Further, the attorney examiner instructs Applicant to file a response to Staff's initial inquiry within 30 days of the issuance of this Entry.

{¶ 4} It is, therefore,

{¶ 5} ORDERED, That the automatic approval process for Applicant's application be suspended. It is, further,

{¶ 6} ORDERED, That the Applicant file a response to Staff's inquiry in the case docket within 30 days of this Entry. It is, further,

{¶ 7} ORDERED, That a copy of this Entry be served upon Applicant and any other parties of record in this case.
