NOTICE OF AUTOMATIC EXCLUSION

Re: Case No. 12-426-EL-SSO

Pro Hac Vice Attorney's Name: **Joshua D Hague**, PHV 2564 -2018

Dear Clerk of Court Staff:

The records of the Office of Attorney Services indicate that effective February 1, 2019, this out-of-state attorney was automatically excluded from practice in Ohio for failure to comply with the *pro hac vice* registration requirements. Please note that you are receiving this Notice because the records of the Office of Attorney Services show that the out-of-state attorney indicated that he or she was granted permission to appear *pro hac vice* in the case referenced above.

If any case in which this out-of-state attorney was participating on the basis of *pro hac vice* permission was pending as of January 1, 2019, the attorney was required to renew his or her *pro hac vice* registration for 2019. The records indicate this attorney has not filed an application for *pro hac vice* registration for 2019, and is therefore automatically excluded from practice in Ohio. The out-of-state attorney will remain excluded from the practice of law in Ohio until such time as the attorney petitions for reinstatement and pays the *pro hac vice* renewal registration fee with the Office of Attorney Services in accordance with Gov. Bar R. XII(5).

Please note that if the case has concluded, or if the attorney has been granted leave to withdraw, court staff is not required to notify our office; the *pro hac vice* attorney is required to provide such notification. Please contact the Office of Attorney Services, Pro Hac Vice Section at 614-387-9352 if you have any questions.
